Learn to Skate

**ICE &
FIELD**
AT THE CROSSOVER

Join us and embark on your ice skating journey with the nationally recognized Learn to Skate USA curriculum. Whether you're a beginner or looking to refine your skills for hockey, figure skating, or recreational enjoyment, our program offers structured lessons designed for all ages and abilities.

Under the guidance of certified instructors, participants will learn essential skating techniques tailored to their goals, starting with basic balance and progressing through advanced moves crucial for hockey and figure skating.

Join us at Ice & Field at the Crossover and discover the joy and grace of ice skating, where every stride brings you closer to mastering the art of skating!

Frequently Asked Questions:

→ Do I Need My Own Skates?

No! Skate rental is included with all beginner classes. We recommend getting your own skates by Basic 4 or Hockey 3 for a more consistent fit.

→ Do I Need a Helmet?

Helmets are required for Snowplow classes and recommended for Hockey 1, Basic 1, and Adult 1. Padded skating headbands are another option.

→ When Can I Practice?

Practice during Public Sessions for \$5 while enrolled in classes, and during Freestyle Sessions (\$9/30 minutes) if at Free Skate 1 level or above.

→ When Are Classes Offered?

Sessions start approximately every 8 weeks throughout the year. Sessions typically include 8 weeks of classes, but may have fewer to account for holidays and surface schedule conflicts.
